ABOUT US

The **Youth Camp for the Arts** is more than just a place for creativity: It is a living tribute to the vision and generosity of **Mrs. Faye Woods**.

As the founder of the **Byhalia Area Arts Council** (BAAC) in 2011, Mrs. Woods dedicated herself to fostering artistic expression and providing opportunities for young creators to thrive.

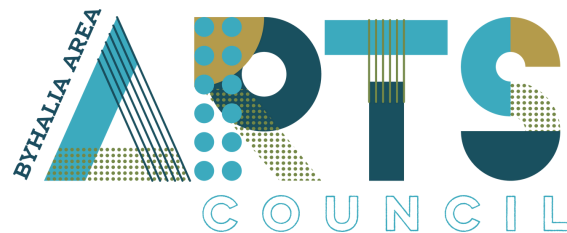

Thanks to the unwavering support of the **Margaret M. Grow Charitable Foundation**, this annual camp continues to inspire and uplift children in our community.

Beyond the camp, BAAC is leading the transformation of the **Old School Commons** into a vibrant space for community gatherings and performing arts.

This effort reflects Mrs. Woods' lifelong commitment to enriching Byhalia through creativity and connection.

Mrs. Woods was not only a leader but a beloved member of this community. Her kindness, vision, and passion touched countless lives, and although she passed away on July 24, 2024, her legacy lives on.

Every brushstroke, every melody, and every artistic dream nurtured through these programs is a testament to the impact she had — and will continue to have — for generations to come.
